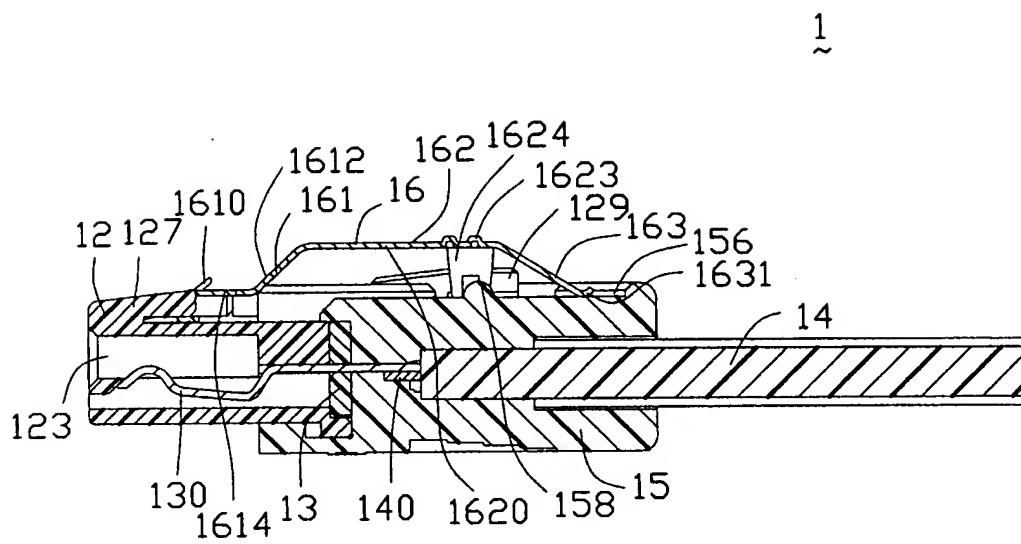

FIG. 8

This cross-sectional view shows a shaft (14) passing through a housing assembly. The shaft has a central section (15) with a keyway (13) and a flange (16) at the right end. The housing assembly includes a main body (12) with a bore (127) and a flange (1274) on the left. A seal (1601) is located between the shaft and the housing. A bearing (162) is mounted on the shaft, and a cap screw (1622) secures the housing. Other components labeled include 161, 1624, 129, 163, 1631, 156, 158, 15, 1620, 140, 13, 127, and 1270.
